

Dear Families,

We are offering in class instruction, and made it convenient for families with multiple children. We are returning to 2 sessions, one on Tuesday and one on Wednesday (you pick your day) where you can bring all of your children at the same time (6:00pm – 7:00 pm). In addition, your child will complete their class service event along with the mandatory three Family Faith Formation Events (which we didn't change from last year).

Our program is NOT every week. It is structured around the Liturgical calendar, the outline of their textbook, holidays and holy days so please check this years calendar (attached). We want our families to have a balanced life so their child/children can enjoy learning about their faith and not stressing over it. As always, I am here to listen and to work with every family that reaches out to me.

Below is 2022-2023 Faith Formation Link. Please click on the link to register. Keep in mind this year the Parent Handbook is included. Please leave enough time to fill out the form and read the **UPDATED** handbook carefully This year we are using ParishSoft On-line Giving with the capabilities to pay online via a credit card, debit card, ACH, (all with 3.5% fee), or Pay Later (which allows you to send in a check – payment must be received in order for your registration to be processed).

We do not take tuition increase lightly, however please note, tuition has not been increase in over 13 years. After much discussion, tuition will be increased to \$90.00 (a \$5.00 increase). We understand in these times some families may have a financial hardship and I encourage you to reach out in confidence if need be. I will work with each family on an individual basis.
